

End Domestic Abuse Wisconsin announces a new

Domestic Violence Homicide Survivor Support Group (Virtual)

Thursday, November 11th and December 9th, 2021 | 7-8:30 PM

Group will meet over Zoom

Providing a safe, non-judgmental space for participants to be with others who have experienced the loss of a loved one due to domestic violence homicide.

To register for the group, please fill out this form and someone from End Abuse will contact you: <https://forms.gle/rDbeWoDRre7AoNrb6>

This group is cost-free and open to anyone age 18 and over in Wisconsin who has experienced losing someone close to them to a domestic violence homicide.

Group will have facilitators but will follow a peer-support rather than therapeutic/clinical approach.

Our goals for offering this group:

- Validating the unique and complex experiences of traumatic grief after a domestic violence homicide.
- Increasing the retelling and honoring of the life of your loved one as a counterbalance to the repetitive retelling of their death.
- Providing education about formal and informal resources and support available, what your rights are when dealing with the media, and what to expect as a case moves through the criminal justice system.
- Increasing personal coping strategies and promoting healing.
