

Safe disposal saves lives.

Did you miss Drug Take Back Day, or don't want to wait until the next one to safely dispose of your unused and expired medications? No problem! Wisconsin has many drug disposal locations available year-round.

Dropping off your unused and expired medications is fast and easy.

Option 1

Remove prescription labels or black out personal information on the label.

Option 2

Place loose pills in a zip-top bag and keep liquids in their original containers.

Remember, you should never dispose of your medications in the trash or down a drain.
