Rainbow House receives a grant from the Greater Green Bay Community Foundation

FOR IMMEDIATE RELEASE

August 18th, 2021

Rainbow House Domestic Abuse Services received a \$45,558 a grant from the Basic Needs Giving Partnership of the Greater Green Bay Community Foundation, a funding collaborative which includes funds from the U.S. Venture Open Fund for Basic Needs, the J.J. Keller Foundation, and other community donors. This grant will be provided annually for the next three years to support the operations of our Oconto Outreach Office.

Domestic Violence has significantly increased, both in frequency and severity during the pandemic. At Rainbow House, we believe no one deserves to be abused be it emotionally, physically, financially, or sexually. Our prime service is the safety and empowerment of all victims and their children. We will provide prevention, education, and information to communities, families, and schools.

“We are so grateful for the support of the Greater Green Bay Foundation”, said Executive Director Courtney Olson. “Your collective contributions to the Foundation support the mission of so many critical non-profit resources in the Greater Green Bay area”.
